#### 2019 AWARDS:

- Finalist, Start Up Superstar

Dream Admin Services has only been around since February 2018, so the team was thrilled to be recognised as finalists in the Start Up Superstar category at the recent Goulburn Business Awards.

Managing director Tennille Skelly said she was incredibly proud of what they had achieved in such a short period of time. "We are surrounded by such an amazing business community in Goulburn, so to be recognised for our achievements is nothing short of amazing," she said. "It has given us a great platform for our growth and we are excited to see the future success for Dream Admin."

Dream Admin Services is a team of qualified, passionate and dedicated professionals who understand that the operational, administrative and financial aspects of a person's business can be complex, tedious and time consuming.

"We take great pride in providing high quality, seamless business solutions that are delivered with a sense of warmth, personalisation and complete transparency," Tennille said.

The solutions include, but are not limited to; bookkeeping, administration, personal assistance, virtual office solutions, staff outsourcing, social media and digital marketing.

The Dream Team is a diverse mix of professional, educated and enthusiastic local women, who together, offer a powerhouse of business solutions to clients. Along with Tennille the team consists of

business manager Cherie Romer, social media and digital marketing manager Marnie Wragge-Morley, personal assistant and administrative assistant Kylie McIntyre and administrative assistant Sarah Youll.

Tennille said the secret to their success stemmed from hard work. "We all work hard and go the extra mile for our clients every, single day," she said. "I have a relentless personality and I am not scared of putting in the long hours and hard work to reach my goals.

"I have recruited really well and have found the perfect team. I am surrounded and supported by an incredible group of women who share and embrace my vision and success for Dream Admin Services."
